Key Insights

1. Electronics drives about 58% of total revenue (5.89M of 10.08M), while Books is the lowest at about 1.4%.

2. Chennai (1.31M) and Bengaluru (1.26M) are the top cities by revenue; Hyderabad is the lowest (0.77M).

3. Monthly revenue varies widely, peaking at about 1.28M and dipping to about 0.63M.
4. Male and female customers contribute almost equally (51% vs 49%).

5. Payment modes are evenly spread (17% to 22% each), with no single dominant mode.

6. The 45-54 age group contributes the most revenue (2.56M, about 25%), while 18-24 contributes the least (1.43M, about 14%).

7. Recommendation: focus marketing on Electronics, the top cities (Chennai, Bengaluru) and the 45-54 segment, and plan promotions for low-revenue months.
